

23 November 1977

MEMORANDUM FOR: See Distribution

SUBJECT : DCI Goals and Objectives for FY 1978

1. (A/IUO) The Intelligence Community Staff has drafted the DCI's Goals and Objectives for FY 1978 and has forwarded them to the NFIB for review and comment. You will note that the AD/DCI/IC has made reference to his 18 July 1977 memorandum on the Intelligence Community Planning System of which the subject document is an important part. Paragraph 3 of the attached cover memorandum extracts from the Planning System paper and outlines the purpose of the DCI's Goals and Objectives.

2. A/IUO) The Requirements and Evaluation Staff, Office of the Comptroller, will provide Agency comments on this document for use in the Director's review before the final revision is submitted to the NFIB. We would appreciate receiving your views by Wednesday, 7 December 1977. Please address them to [redacted] Deputy Assistant Comptroller, Requirements and Evaluation (DAC/R&E) in Room 3E63 Headquarters. If there are any questions, you may contact DAC/R&E on [redacted]
